Medical Director Services

Attending Physician Coverage

Rishi Gulati, DO

Jefferson Health

Post-Acute Rehab • Long-Term Care • Assisted Living

Patients heard. Families informed.

Clear care plans, time for questions, and shared decisions aligned with patient goals.

High-acuity care. Close coordination.

Early recognition of changes, timely reassessment, and close coordination with nursing.

Coordinated follow-up.

Early physician involvement and follow-up to help reduce avoidable hospitalizations. Hospital care when needed.

Jefferson patient transitions.

Dr. Gulati works with Jefferson's post-acute directors in New Jersey and Pennsylvania to support transitions for Jefferson patients.

Services and coverage are subject to the facility agreement. Facility inquiries only; no patient information or emergencies.

Bridging Today. Caring for Tomorrow.

Let's Discuss Your Coverage Needs.
